29 Injured In 41 Area Traffic Accidents

Quad-City's Weekend
Toll Soars; Five Are
Hurt in One Mishap

The Quad-City traffic toll, which has been increasing steadily in recent months, soared upward during the weekend since Thursday for a total of 41 accidents, with 29 persons injured. Those who received injuries were hurt in 15 of the 41 mishaps.

The number of accidents in which more than one person was injured was unusually high. Five persons were hurt in one crash and three each in two other accidents. There were six accidents in which two persons were hurt. One person was hurt in each of the six remaining injury mishaps, including three motorcycle accidents in separate accidents.

Five persons, including a Granite City woman, Mrs. Maribeth A. Lane, 23, of 3224 Wilcox avenue, were injured about 3:15 p.m. Saturday in a crash of two cars on U. S. Highway 50, three miles west of Route 150.

Mrs. Lane, who suffered cuts and bruises, was admitted to Memorial Hospital, Belleville, and was released yesterday. Passengers in her car also requiring treatment were Mrs. Mickey Dorman, 26, of East St. Louis, and her children, William, 3, and Patty Dorman, 19 months old.

Two in the other car were hurt — the driver, Christine Krone, 16, of Freeburg, and Candy Heil, 16, also of Freeburg. State police said Miss Krone was making a left turn off the highway when the accident occurred.

Three motorcycleists hurt. Three local motorcycleists were hospitalized yesterday following separate accidents. All are reported in fairly good condition today at St. Elizabeth Hospital.

61 DAYS WITHOUT A QUAD-CITY TRAFFIC DEATH

Rough railroad tracks, which jarred his motorcycle's steering mechanism loose, resulted in multiple abrasions and cuts yesterday morning for Thomas Wood, 24, of 220 McCambridge avenue, Madison, who was thrown from his cycle on the former By-Pass 64th, near the bottom of Sunset Hill.

Wood, who is employed by a St. Louis auto firm, was taken to a friend's house along the highway when the accident occurred. According to his family, the motorcycle was traveling from under him, throwing Wood to the pavement and causing him to roll along the gravel shoulder. He had four cuts taken in his left elbow and is being treated for abrasions and bruises in his right arm, hand, shoulder, face and head.

Murder Suspected In Death of Woman Following Autopsy

An investigation has been ordered by Dr. W. W. Billings, Madison county coroner, into the death of Mrs. Jesse D. Darch, 39, of Alton, who was found dead Aug. 23, in bed at her apartment at 2317 Delmar avenue. He suspects murder.

The coroner said an autopsy showed that her body contained chloroform and wood alcohol in sufficient amounts to cause death.

Granite City police today were questioning an East Alton acquaintance who had rented the apartment for the woman about two weeks before she was found dead. He said he had last seen her at about 8 p.m. the night before. He agreed to take a lie detector test which was to be conducted this afternoon.

Chief of Detectives George Teller said Mrs. Darch also was seen on her front porch talking to two men about 11 p.m. the night before and that she apparently had been drinking and complained of feeling ill.

At the time neither Granite City police nor Deputy Coroner Robert Thomas had reason to believe that foul play was involved, Teller said.

Premises Were Searched
Teller added that the premises were searched, and no evidence indicating use of chloroform or wood alcohol was found. He said two pills of a harmless nature were found near the bed at the time.

The autopsy report showed that 127 milligrams of chloroform and 127 milligrams of methyl wood alcohol were found in the woman's blood stream, and 147 milligrams of chloroform and 2.4 milligrams of chloroform were found in the stomach.

Mrs. Darch, a divorced mother of three children, had been dead 12 to 20 hours before she was found. Dr. Billings said. She was found in pajamas and a house coat and was covered with a sheet up to her waist.

"An autopsy was not ordered at the time, but permission for one was given by Mrs. Darch's mother and her former husband. Chief Teller said she could not have taken the chloroform internally because her mouth was not burned, so fumes must have been inhaled from a cloth or mask. He said that the cause is devoted full time to the case.

Three weeks ago, Mayor Partney was informed by Robert Kronst, district engineer for the Illinois highway division, that \$670,000 in state money would not be available for improvement of Nameki road in Granite City.

On Friday, Mayor Wiseman learned from Kronst the \$100,000

SPLINTERED UTILITY POLE at 10th and State streets hangs suspended from power lines, several of which were broken about 6:50 a.m. Saturday when the wooden pole was hit by an auto driven by Walter Rusick, 1825 Sixth street, who was injured seriously.

Capture Youth in Stolen Car

An open convertible auto stolen from Tenth and Iowa streets, Madison, between 9:30 p.m. and 10:30 p.m. Saturday was recovered following a chase by police which ended with the auto coming to a rest on railroad tracks. Three boys were questioned and one was charged.

Noticing the car moving north on Missouri avenue at 11:40 p.m. Saturday, Granite City officers turned around and followed it. When their car's red light and siren were ignored, two warning shots were fired.

A stop was signaled but the car turned around and headed Three toward North Granite. It was at this point that it went out of control, left the roadway and halted on Illinois Terminal Railroad tracks. Its three occupants running into nearby weeds.

Donald Bartow, 17, of 3022 Circle drive was charged with driving the car. A 12-year-old boy also apprehended was unaware the car was stolen and was freed. A 15-year-old boy believed to have fled from the scene was arrested later and then referred to the Madison police youth officer.

Owner of the car was William Fiorino, Ferguson, Mo. Car Found in Two Minutes
Granite City police yesterday located a stolen auto two minutes after it was reported missing.

Taken after 11 p.m. Saturday from the home of Arvel Price, 2874 Iowa street, the white and blue 1963 four-door auto was reported as missing at 11:15 a.m. Sunday. Officers were alerted by the police radio, and at 11:17 the car was found in the 1000 block of Clark avenue. The owner was notified.

A two-tone blue 1957 four-door car with Illinois License EY4448 was stolen from the home of Chester Stafford, 2809 Denver street, Saturday night. A \$60 Bonified Brothers Trucking Co. payroll check was in the glove compartment.

Confessionary Burglary
Cigarettes and assorted meats valued at \$65 were stolen in a burglary at Garces confessionary, 124 Roosevelt drive, Eagle Park Acres, between 7 p.m. Saturday and 7:45 a.m. Sunday. A 75-watt light bulb was missing from the porch ceiling. Keys probably were used on two padlocks on one door and a pry bar was used on the counter door to gain entry, the county sheriff's office reported.

An unknown amount of money was taken from a cash register at Veterans Linoleum and Rug store, 1909 State street. It was reported by the sheriff's office.

Another Nine-Month Wait
Both mayors said that they were informed by Kronst that he had been advised by the Department of Public Works and Buildings at Springfield that funds allocated for District Eight had been depleted.

Mayor Partney said that Kronst has now told him that the Granite City project may appear on the spring bid list. Mayor Wiseman said that he was told by the district engineer that the Alton project will be de-

layed until after the first of the year.

Public Concerned
The two mayors related that the citizens of Granite City and Alton are demanding an explanation.

The mayors had met to discuss problems their cities might have in common, and at this time each learned that the other city was also being "deprived of state funds for highway improvement that had been heretofore promised."

The mayors have agreed to meet regularly to exchange ideas and information. Both Mayor Partney and Mayor Wiseman were formerly aldermen on the city councils in their cities.

Parents See Government Order to Boost Steel Campus; Work Force at Local Plant

1st Classes Thursday

Public Open House on
Oct. 3; Parking Lot
Paving Halted by Rain

The new Southwest campus of Southern Illinois University opened its doors for the first time Sunday for a Parents Day and the start of New Student Week. Attendance was 2200.

Two of five buildings that were part of the first stage of construction are ready to use, and another is expected to be occupied with the start of the winter term in January.

The two inspected by parents Sunday were the \$3.5 million John Mason "Peak" Classrooms and the \$3.6 million Elijah P. Lovejoy Memorial Library.

Some 4000 students can be accommodated on the new Quad-Cities-Edwardsville campus, and they will be mostly upperclassmen and graduates students. The bulk of the freshman and sophomore enrollment will attend classes beginning Thursday in the teaching centers SUU has operated at Alton and East St. Louis since 1957.

Science Building in January
Most sciences and fine arts students will also attend the centers during the fall term while a science laboratory and classrooms building, progress toward its January completion date. Students at Quad-Cities and Edwardsville most probably will be enrolled in the divisions of business, social sciences, education and humanities, and a new building, its three occupants running into nearby weeds.

Tours of the new campus will be conducted for faculty families next Sunday, Sept. 26, and for the public. The public will be held on Sunday, Oct. 3.

University officials are discouraging visitors to the campus in its early days of operation because recent rains have delayed the paving of parking areas. The new building schedule will be in effect the first day of classes, with the buses making all regular stops.

Even tours for parents yesterday were by bus, with the rest of the day's activities scheduled for the lawn of the vice-presidents' office, beginning at 2 p.m.

The entire 200-acre central campus will be in effect the first day of classes, with the buses making all regular stops.

Highway Land Use
Report by Firm

Plans for a continuing study on transportation and land use in the Illinois-Missouri Metropolitan area were discussed Thursday night before a meeting of the Southwest Illinois Metropolitan Area Planning Commission by Jess Under, of Alan Voorhes Associates.

Under explained how the study will be conducted to coordinate planning efforts to meet the area to comply with the 1962 Highway Compliance act which requires states to have a highway planning as the principal qualification for Federal funds for highway construction. The study is being carried out as a major operation of the East-West Gateway Commission.

State Sen. Alan Dixon, Democrat of Belleville, also spoke at the meeting, outlining various legislative acts of the last session of the Illinois Legislature which might involve future planning activities of the area.

The commission members also heard a report by executive director Theodore Mikesell, who is to be elected in the November election, on the regular officers and executive board members.

Plans also were discussed for sending members of the commission to the state capital to present a slate of officers to be elected in the November election. Regular officers and executive board members will be elected.

A \$338,674 order received for the local plant of Young & Greenwald Co. for overseas shipment of galvanized pipe is expected to increase employment within the next few weeks.

The placing of the order was announced over the weekend by the U. S. Agency for International Development. Work on the galvanized pipe is expected to start within a short time and may require additional shifts. The plant presently has a work force of 10 men on an eight-hour shift.

Completed sections of pipe are slated for overseas shipment all over the world, a plant spokesman said.

Granite City Steel Co. received an Agency for International Development contract to supply steel sheets, blackplate and galvanized metal valued at \$67,940 for overseas shipment.

Recertification of an earlier \$3,000,000 order placed by the Navy Aviation Supply Office in Philadelphia with the Dow Metals & Chemicals Co. plant at Madison also was announced over the weekend. The local plant already had been notified of an order to supply aluminum airfield matting extrusions.

Training School, 19 New Homes in Township Permits

Thirty-two building permits listing values of \$452,000, including a \$110,000 training school for Operating Engineers Local 520, were issued during August for Nameki and Chouteau townships by Chief Clerk Madison county building official.

A training school, now about 80% complete, will be used to teach methods and maintenance of equipment to apprentices. It is located on about a 30-acre tract near Mitchell. The land will include a picnic area and the building will provide a meeting hall.

Another permit for Chouteau township was for a brick and concrete block garage building being constructed by the Marvin Malory Construction Co. south of South Roxana at a cost of \$95,000.

Nineteen new homes were included in the month's activity. 12 being in Nameki township and seven in Chouteau township.

Issued permits for homes in Nameki township were E. C. Barnhart Construction Co., a brick in Northland Estates, \$15,000; Depuch Jr., aluminum siding in Dupuch subdivision No. 1, \$11,500; Marion F. Marcus, brick in Wilshire Manor, \$20,000; Floyd Barlingame, two brick and aluminum siding houses in Wilshire Manor No. 8, \$18,500.

Leaking Drum of 'Skunk' Empties School for Day

All pupils were sent home shortly after classes had started for the day.

Further inspections by Illinois Power Co. workers were made and North said he was informed that the escaping "skunk" was coming from a 50-gallon drum in the vicinity of the American Steel Foundries. The lines in that area are maintained by the Mississippi River Fuel Corp.

Starch Co. Contempt Hearings

Negotiations Delayed
Until Friday Due to
Circuit Court Actions

Negotiators in the Union Starch & Refining Co. contract deadlock will not meet again until Friday because of circuit court hearings growing out of alleged activities by striking starch plant workers. New court procedure including issuance of a circuit court injunction in behalf of the union.

Content of court hearings involving 23 members of the Oil, Chemical and Atomic Workers union, Local 7-663, resumed in Judge Howard White's court at 10 a.m. this morning, and were expected to continue through Tuesday, and possibly Wednesday.

While a negotiation session last Friday, attended by higher echelon officials from both union and company, lasted until late in the afternoon, it broke up with "no little progress" reported to ward settlement of the disputed contract issues.

Friday's meeting was the first to continue throughout the day and representatives of the U. S. Mediation Service in St. Louis said "a thorough and exhaustive discussion" of the points at issue was held.

New Negotiations
That meeting was attended for the first time by B. J. Hunter, starch company vice-president representing the company, and an international representative of the union. They joined the negotiating staffs of the union and company after Mayor Donald Partney of Granite City and U. S. Conciliator Bernard O'Keefe announced "grave concern" over the strike and requested both sides to assign "high-level" officials to the negotiation meetings.

Meeting last Friday convened at 10:30 a.m. at the Granite City Army Depot. After a brief recess for lunch the meeting resumed about 1:30 p.m. and continued until nearly 4:30 p.m. Previous meetings between union and company officials had been adjourned after only brief discussions.

The U. S. Mediation Service, which has been scheduling all meetings between the union and company, said that the schedule of court hearings early this week, at a conflicting date on Thursday, made it necessary to put off until Friday any plans for a further meeting of the negotiating staffs. Location of Friday's meeting has not yet been determined.

Union Gets Injunction
The injunction writ granted in behalf of the union strikers in late August after the afternoon session of the court was limited to compliance involving allegations of intimidation or coercion.

The order directed the company to refrain from the starch plant officials or personnel from coercing, threatening, intimidating or harassing persons engaged in the lawful picketing of the plant; prohibits intimidation or injury of members of the union and their families, and prohibits interference with the lawful strike and picketing by the union membership.

F. L. Callis, attorney for the union, said that part of the counter claim seeking a restraining order to prevent the company from allegedly "violating terms of the labor agreement (union contract) now in full force and effect" is to be given hearing at a later date by Judge White, although a date for the continued hearing has not yet been set.

The counter claim had charged the company with cancelling out insurance provisions of the union agreement and with importing workers from other starch plants to keep the starch plant operating, and with the lawful picketing of the plant; prohibits intimidation or injury of members of the union and their families, and prohibits interference with the lawful strike and picketing by the union membership.

Needed Services Provided by Local Red Cross Chapter

Community service and aid to men and women in the armed forces are among the prime functions of the American Red Cross. Attention to the services offered by the Tri-City chapter are being emphasized with the approach of the 1966 Tri-Cities Area United Fund campaign. The Red Cross, which has its local office at 2035 State street, has a United Fund allocation of \$30,000 of the total goal of \$348,000.

The services of the Red Cross are always in evidence in the event of a disaster, such as the recent rampagings of Hurricane Betsy.

Locally, the last major disaster was the Nestle Co. plant explosion of four years ago. Red Cross workers were there digging in the rubble in search of victims and aiding the volunteer rescuers with other services, such as cold drinking water, coffee, rolls, sandwiches and lemonade.

Trains Life Guards

Red Cross aquatic schools, using pools in the area, train and certify instructors and life guards and the program also includes the Boy Scouts and the Girl Scouts. Last year, Red Cross swim certificates went to 765 persons.

Community-wide first aid classes are conducted throughout the year by Red Cross certified instructors and 91 certificates were awarded last year.

The local Red Cross chapter is operated by a local board of directors headed by Gerald Walters; and Mrs. Ruby Overbeck of Granite City is the executive director.

Last year the local chapter aided 1713 persons with home services and these included 372 servicemen stationed at the Granite City Army Depot.

The American Red Cross is the only civilian agency charged by Congress to assist persons in the Armed Forces with specific social services and to provide disaster relief.

MISS HELEN WATKINS
Hospital Technician Here Enters Convent

Miss Helen Watkins, an x-ray technician at St. Elizabeth Hospital for the past two years, has resigned to enter the Sisters of Divine Providence convent at Normandy, Mo., it was announced today.

A resident of the Community House, East St. Louis, she was employed here in September 1963 as a registered x-ray technician after graduating from the Department of Radiology at the Jewish Hospital, St. Louis.

Following her resignation from the staff early this month, she entered the convent. The local hospital is operated by the Sisters of Divine Providence.

ing contact.

This occurs when a close relative dies or a serviceman is needed at home because of any other type of emergency. While the Red Cross itself cannot grant leaves, arrangements through verification of needed information is obtained by the Armed Forces through the Red Cross.

The Red Cross has a revolving home service fund from which loans and grants can be made.

Aid is given servicemen with a sudden transfer and they may be caught without funds and an allotment or pay has not come through.

Junior Red Cross operations also are a function of the local chapter, and the local staff assigned volunteers to the Army Depot as canteen, motor staff and volunteer aides.

Driver Denies Fault

While turning left from Fehling road onto Nameoki road, a car driven by Kenneth Carr, 4800 Warnock avenue, sideswiped an auto operated by Dudley Forsythe, 1709 Edison avenue, who was halted at a stop sign, according to the police accident report. Carr denied it.

Tire Cut, Chains Stolen

Several Victims Of Spider Bites Given Treatment

Bites and football were the leading causes of emergency treatment at St. Elizabeth Hospital Saturday. Three of the bite cases are believed to have involved spiders.

Delbert Madison, 22, of 2400 Iowa street was bitten by a spider, described as possibly a black widow spider. Michael Harris, 18, of 2444 Edison avenue had a swollen right hand due to four or five bites on the hand and arm, possibly from a spider.

Jackie Gancheff, six years old, 3108 Edgewood avenue, was bitten on the left foot and ankle by an insect, possibly a spider. The foot was swollen and painful.

Another kind of bite, a dog bite, was suffered by Wendell McCaskill, seven, 511 Mercedia street, Venice, on the back. Jerry McCochan, 16, of 2530 Lincoln avenue injured his left wrist during football competition and was treated at the hospital Saturday.

Another football player, Leonard Neville, 17, of 2830 Marshall avenue hurt his left ankle.

James Lumpkin, four, 1217 Market street, Venice, fell and hurt his left wrist; Debra Long, seven, 2122 Marshall avenue, fell, lacerating her forehead; Jay Albertina Jr., eight, Collinsville, fell on his bicycle and cut his right leg; Glenda James, three, 2712 Edwards street, fell through a storm window, lacerating her left forearm and right hand; Richard Biggs, 36, of 2308 Nameoki road cut his right hand when a water faucet broke; and Lisa Ann Beavin, five, 2841 Edgewood avenue, lacerated her left ring finger when she caught it in an auto door.

Reports Hubcaps Stolen

Teacher-Pupil Law Suit Settled Out of Court

An out-of-court settlement was announced at 1:45 a.m. Friday in a damage suit against a Peabody junior high school teacher brought by a pupil who was awarded for being tardy. Details of the settlement were not disclosed.

The suit was tried by Frank Hufstader, for the daughter, Marie, against Mrs. Susan Moll Kippman, English and speech teacher. He first sought \$10,000, and the complaint was amended later to read \$20,000. The settlement was reported unofficially to be for \$2,000.

A jury was deliberating the case at the time, as presentation of evidence in the case was completed at 3:30 p.m. Friday in the Granite City division of circuit court before Associate Judge Fred P. Schuman.

Mrs. Kippman admitted that she used a paddle on the girl, striking her as a measure of punishment on Feb. 17, 1964. She explained on the witness stand that there was a problem of tardiness in her class, one-third of which generally would be late in arriving.

The girl claimed that she was injured, requiring hospitalization and care by four doctors. She had a record of absenteeism due to illness, but testified on the witness stand that after the paddling, she suffered pains in the back, dizziness, blackouts and other maladies.

Among others testifying in the two-day trial were doctors and a few students who were in Mrs. Kippman's home room class.

New state statutes now permit teachers to spank children as punishment in maintaining classroom discipline, but such acts were unlawful prior to this year.

ORGANIZATION of the 1966 United Fund drive is discussed by Bernard Pinney (right), newly-appointed chairman of the Professional division; Carl E. Mathias (left), vice-chairman of the fall drive, and John R. Hundley (center), Campaign general chairman.

Bernard Pinney Heads UF Professional Division

Bernard Pinney, personnel and safety director of St. Elizabeth Hospital, has been appointed chairman of the Professional Division of the approaching Tri-Cities Area United Fund Drive, scheduled to open on Oct. 7, according to announcement by John R. Hundley, general campaign chairman.

Heading the division for the second year, Pinney also served as chairman of St. Elizabeth Hospital employees in two prior campaigns. He is a member of the United Fund board of directors, elected to a three-year term in February 1963.

He has completed enrollment of chairman for the four sections

of his division: Dr. Felicia Koch, chairman of the Medical section, assisted by Mrs. Nori Madlinger, who will solicit doctors' nurses, receptionists and technicians; William Schooley, lawyers and office staff; Dr. Wallace M. Brylak, dentists and dental assistants; and Mrs. Leo Roman, other professional people. Rev. R. J. Baumann will solicit clergymen of the area.

The professional division raised \$835 in the United Fund campaign last year. A quota of \$870 has been set as the division's share of this year's \$345,000 overall goal.

The campaign will continue through Oct. 27.

General Steel Acquires Third Subsidiary Firm

An agreement under which General Steel Industries, Inc., has acquired facilities of Standard Pipe Protection, Inc., has been approved by the board of directors of General Steel Industries, it was announced Friday by W. Ashley Gray, president of the company.

The agreement, which also has been approved informally by the major stockholders of Standard Pipe Protection, provides for the exchange of 106,000 shares of General Steel stock for all outstanding shares of Standard.

The Pipe Protection facilities will be operated as a subsidiary of General Steel under the present management. Standard operates plants in St. Louis, Alton, Houston, Texas, and Pittsburgh, Calif. Standard Pipe Protection was established in St. Louis in 1948. It is a leading supplier of protective coatings for steel line pipe and other tubular goods used for oil, gas and water distribution.

"This acquisition is another step in General Steel's diversification," Gray said, "and we are impressed with the growth potential of Standard Pipe Protection because of the increasing need for gas and oil transmission lines, distribution systems and growing requirements for specialized pipe."

In recent years General Steel, which is a major producer of rapid transit cars, industrial and railroad cast steel products, and iron and steel rolls, has acquired two other subsidiaries located in the St. Louis area—Ludwig-Saylor Wire Cloth Co. of St. Louis, producers of industrial wire cloth and screen, and Flex-O-Lite Manufacturing Corp. of Affton, Mo., supplier of glass heads for commercial and industrial application.

Upon completion of Standard Pipe Protection acquisition, General Steel will have three divisions and three subsidiaries, with 13 plants in five states and Canada. Its stock is traded on the New York Stock Exchange.

Social Security Office Warns Beneficiaries Of Confidence Men Working Swindles

Ralph Brasher, social security district manager in East St. Louis, today cautioned Quad-City residents about a new type of confidence man who has appeared in some sections of the country since passage of the new "medicare" provisions of the social security program.

Brasher said that these confidence men often represent themselves as employees of the Social Security Administration and say that they are authorized to sell and receive payment for health insurance in advance, at a discount.

"These men attempt to swindle elderly people by confusing them about the new health insurance program," he said.

"Particularly for the person 65 or older," Brasher declared, "the first line of defense against these swindlers is accurate information about both kinds of health insurance protection available under the program—hospital insurance and medical insurance. The most accurate source of such information is your local social security office."

Information being mailed Medicare information kits are now being mailed to social security beneficiaries.

Each kit contains a booklet that tells the beneficiary what health services he or she gets under the basic hospital insurance plan and what additional supplementary protection is available under the voluntary medical insurance program.

An equally important line of defense against such swindlers, Brasher said, is the use of caution. He said that he works for social security and that he always asks for his identification.

If he asks for a fee to obtain a "medicare discount" or an increase in your monthly cash benefits, he's not a social security representative. Beneficial social security representatives never request your precautions. Nor do they charge or accept fees for trying to help you.

People 65 and older on the social security or railroad retirement rolls do not need to take any action to get the basic hospital insurance protection, Brasher emphasized. But they will need to let the Social Security Administration know that they want to take the voluntary medical insurance by completing and returning the enrollment card mailed to them with their information kit.

People 65 and older who are eligible for social security benefits but who haven't applied for them because they are still working should get in touch with the nearest social security district office to apply as soon as possible. Even if they can't collect a right now because their current earnings from employment are too high for them to qualify for benefits, they will be eligible for hospital insurance when it starts next July.

People over 65 who have never worked under social security—or who have not worked long enough to qualify for social security benefits—will need to apply for both hospital insurance and the voluntary medical insurance. However, those who are receiving old-age assistance under a public welfare program will get information on how to sign up from their welfare agencies.

People who will be 65 before the end of this year have until March 31, 1966, to apply for the voluntary medical insurance, which requires payment of a \$3 monthly premium beginning July 1. This amount is matched by a monthly premium paid by the government.

Hospital insurance and medical insurance protection under social security do not begin until the first of July 1966, Brasher said. He urged persons 65 and older not to cancel prior to this date any hospital insurance or medical insurance they may have.

"I suggest that if anyone has a question about their rights or responsibilities under the social security law, they write, phone, or visit the East St. Louis district office, located at 435 Missouri Avenue. The telephone numbers are EXpress 7-5530 and BRidge 4-2200, Extension 324," Brasher added.

Miss Wallace, Alan Lenzi Exchange Wedding Vows

The wedding of Miss Sharon Ann Wallace and Alan Lenzi took place Saturday at Sacred Heart Catholic Church with the Rev. A. J. Schellenbach officiating at the 11 a.m. service.

The parents of the couple are Mr. and Mrs. William Wallace, 3285 Davis avenue, and Mr. and Mrs. Edward Lenzi, 3225 Aubrey avenue.

Mrs. Margaret Mac Zura, soloist, sang "Pani's Angelicus" and "Mother Beloved" and Rosewig's "Ave Maria."

A gown of pure white silk, faced with satin and worn by the bride, it was designed with a high rise bodice of reembridged Alencon lace and short sleeves. It was accented with an obi tie sash on the long slender silhouette skirt and a Watteau pinned train fell from the shoulders in a full sweep train trimmed with motifs of lace. A demi-pilbox of lace and jewels held in place a bouffant (fitted veil) and the bride carried a bouquet of white orchids and lilies of the valley in a cascade arrangement.

Miss Judi Steele and Mrs. Mary Kay Cessna, an aunt of the bride, honor attendants and Miss Barbara Lenzi, the bridegroom's sister, bridesmaid, wore identical mint green silk crepe sheath dresses with fitted bodices, scoop necklines and short sleeves. Long detachable trains

were lace trimmed and headpieces of green were of chiffon flowers and brief veils. Their flowers were carnations tinted mint green.

Danny Parker of Omaha, Neb., was best man, and groomsmen and ushers included Edward Lenzi, a brother of the bridegroom, Don Bowles, Charles Cessna, an uncle of the bride and Ronald Woodside.

The bride's mother was in aquamarine silk, while the bridegroom's mother chose a rose crepe dress. Accessories matched the dresses and both wore white orchids.

Bouquets of white pom poms and white gladiolus decorated the church for the ceremony which was followed by a breakfast at the Rose Bowl. The reception took place in the evening at the VFW hall and the couple left later for a honeymoon in the Smoky Mountains. When they return they will live in the Pontoon Plaza apartments.

The bride was graduated from the Granite City high school and a school of beauty culture. She is employed at a local beauty salon.

The bridegroom was graduated from the local high school. He is an employee of the Granite City Steel Co.

Assisting at the reception was Mrs. Beverly Lenzi. Among the out-of-town guests here for the wedding were Mrs. Tillie Malvasio and daughter of Carlinville, Ill., Mr. and Mrs. Robert Malvasio and daughter of Des Plaines, Ill., and Mr. and Mrs. Tom Butler of Imperial, Missouri.

MRS. ALAN LENZI, a bride of Saturday. Before her marriage at Sacred Heart Catholic Church, she was Sharon Ann Wallace, a daughter of Mr. and Mrs. William Wallace, 3205 Davis avenue.

MRS. ROY J. KOBERNA, whose marriage took place recently at Concordia Lutheran Church. She is the former Diane Ruth Weber, a daughter of Mr. and Mrs. Edwin Weber of Venice.

Miss Maudine Joiner and Michael Schuette are Wed

Miss Maudine Joiner and Michael Frederick Schuette exchanged wedding vows in a ceremony taking place at 3:30 o'clock Saturday afternoon at Concordia Lutheran Church.

The bride is a daughter of Mr. and Mrs. Earl G. Joiner, 4124 Pontoon road, Mr. Schuette's parents are Mrs. Gladys Schuette, 3105 Jill avenue, and Alfred Schuette, Fieldon, Ill.

The ceremony was performed by Rev. Arvin Twietmeyer before the altar decorated with greenery. White bows marked the pews.

Attendants were Mrs. Richard Patrick, a sister of the bride, and Glen Spargel. Richard Patrick and Joseph Bradish served

as ushers. The bride wore a floor-length sheath gown of satin with a beaded bodice and a shoulder train bordered with pearls and lace roses and carried a bouquet of white gladiolus. Her short bouffant veil was secured with a fabric rose and pearls.

Mrs. Patrick wore an emerald green sheath dress of crepe and carried yellow pom poms. The reception was held at the American Legion Hall and the newlyweds left for a honeymoon in the Missouri Ozarks. They will live at 2717 Madison avenue.

Both young people attended the local schools and the bridegroom, who is attending SIU-SW, is employed by Illinois Power Co.

Club Hears Talk On Security

Quad-City Navy Mothers Unit 830 met Thursday evening with 18 present, including the following guests: Mrs. Frances Jones, Mrs. Edna A. Bartley, Mrs. Frances Painter, Mrs. Jewel Patterson and Mrs. Lola Williams.

A highlight of the meeting was a talk by a representative from the Social Security office which explained the new plan and Medicare.

A check was sent to Jefferson Barracks to be applied on the building fund for the chapel which was damaged by fire recently, and the remainder of the evening was spent at games with prizes going to Mrs. Frances Westbrook, Mrs. Jean Teal, and Mrs. Norma Darrell. Mrs. Mattie Belfin received the "white elephant" and there was a special award to Mrs. Tillie Smith.

MRS. DYER HONOREE AT BIRTHDAY DINNER
Mrs. Jean Dyer was honored at a birthday dinner party Thursday evening at the Luna Cafe given by fellow employees of the City Dept. Store.

Present were Anne Burnett, Doris Bachteler, Erna Hunter, Norma Droege, Jane Schlueter, Rosalie Hill, Elizabeth Wanicke, Betty Sheppard and the honoree.

In prohibition days the ships that passed in the night usually carried their own moonshine.

RUDD-DAVIS ENGAGEMENT

Announcements have been received from Mr. and Mrs. Orville L. Rudd of Ankeny, O., formerly of Madison, of the engagement of their daughter, Miss Janice Lee Rudd, to Dennis Edwin Davis, a son of Mr. and Mrs. Edwin R. Davis of Des Moines, Iowa. A May 1966 wedding is planned.

The bride-to-be was graduated from Ankeny high school and is a junior at Drake University. She is a member of Chi Omega sorority and Alpha Lambda Delta honor society. Participation in Politics Stressed

Mrs. Lily Chaboude, Americanism chairman, was in charge of a panel discussion on the importance of individual participation in politics at a meeting of the Granite City Republican Women's Club Thursday evening at the YMCA. She was assisted by Mrs. Isabel Schmidt, Mrs. Ruth Lucas and Mrs. Vernice Wortman.

There were talks by two visiting committeemen, Steve Kanan and Charles Barth, and plans were made for Mrs. Wortman and Mrs. Helen McNally, club president, to represent the group at the fall conference of Republican Women to be held in Chicago Sept. 22-24.

Mrs. McNally was in charge at Thursday's meeting. The next regular meeting on Oct. 21 will be a Republican "family night."

Club Observes 45th Anniversary

The Jolly Twelve card club celebrated the 45th anniversary of the group with a dinner party at the Rose Bowl Thursday.

The table was centered with a pink and white anniversary cake and there were pink and white mint cups at each place. The cake was cut and served by Mrs. Marcelline Jung, a 40-year member.

A short business meeting was held after the noon meal and Mrs. Kathryn Smithson and Mrs. Myrtle Ryan were re-elected president and vice-president, respectively.

At the games following Mrs. Ryan, who held 1500 trumps in hearts, was awarded first prize. Other winners were Mrs. Smithson, Mrs. Jean Barnes, Mrs. Jung and Mrs. Sophie Parker. The next meeting will be with Mrs. Jung, 3204 Aubrey avenue.

Miss Allen is Sorority Hostess

The home of Miss Janet Allen, 509 English place, was the place of meeting Thursday evening for Phi Beta Tau Chapter of Beta Sigma Phi sorority.

The program "We Stoop to Conquer" was given by Mrs. Ellen Cain, and plans were made for various events during the coming season.

Others present were Mrs. Char Lee Baldwin, Mrs. Barbara Adams, Mrs. Mary Baker, and Misses Sue Lucash, Ruth Justice, Linda Todd, Donna Adams and Pat Pfaff.

Deadline Oct. 8 on Punt, Pass and Kick Contest Registration

Boys between the ages of eight and 13 may register for the Ford dealers' National Football Game Punt, Pass & Kick competition at B. E. Hohl Inc. 1837 Madison avenue, through Oct. 8. Each boy may enter only once.

There will be five levels of competition—local, zone, district, area and national. Local competition will be held at 1:30 p.m. Sunday, Oct. 17, on the Granite City high school football field. In case of severe weather conditions, the alternate date will be Monday, Oct. 18, at 7 p.m. on the same site.

Seven-year-olds who will reach their eighth birthday by Jan. 9, 1968 (the date of the national finals) may compete. A 13-year-old who became 14 on or before Jan. 9, 1966, will not be eligible.

Each boy will compete individually in three categories—punting, passing and kicking (using a kicking tee). Judges will score one point for each foot of distance the ball travels on the fly, minus one point for each foot that the ball lands right or left of a center line.

No special football may be worn for the local competition—only ordinary street shoes or sneakers.

Awards or prizes will be given to first, second and third-place finishers in the local competition to boys in two age groups—8-10 and 11-13.

Bouman New Advisor for 'Y' Judo Program; Trained in Netherlands

J. H. Bouman, a first-degree black belt judoka, was named black belt advisor of the Granite City YMCA's judo program Saturday. He replaces Bob Kourth, whose increasing responsibilities in St. Louis made the change necessary.

Bouman, a resident of East St. Louis, is the father of two children. He is employed as an agent for a life insurance company and is a veteran of 12 years of judo activity, both in the United States and Europe.

The latest addition to the "Y" staff received the major portion of his judo training at the Rotterdam Judo Club of Rotterdam, Netherlands. He came to this country in 1960 and moved to this area in 1964.

YMCA judo activity for the upcoming season includes a number of classes for youths on three skill levels, for beginning adults and advanced workouts for experienced judoka.

Bouman will teach beginning classes for men and women on Monday evenings. The women's class will be held from 7 to 8 o'clock and the men's class from 8 to 9.

Ronduri for experienced judoka are held at 8-10 p.m. Fridays with Bouman supervising. He also will be available from 1 to 3 p.m. Saturdays for a variety of judo activities, including informal competition between members of the local classes.

Registrants for the youth classes (for boys and girls between the ages of 8-14) will be accepted until Sept. 25. Additional information may be obtained from Dan Smith, program director for the local "Y," and David Walker, youth director.

Michael Jesse Appointed as Director of Physical Program at Local 'Y'

C. A. MacMillan, general secretary of the Granite City YMCA, announced Friday that Michael L. Jesse, 3261 Carlson avenue, has been named physical program director at the local "Y."

Jesse, who plans to continue his college work, will assume responsibilities associated with the physical program, health club and other duties which were previously handled by Dan Smith, program director. Smith will increasingly concentrate on program innovation and community relationships of the YMCA.

Jesse, aged 20, graduated from Granite City high school, where he was active in athletics, including four years of football and track.

He is an accomplished swimmer and holds Red Cross senior lifesaving and water-safety instructor certification and YMCA leadership national swimming certification. Jesse also has been named Red Cross water safety chairman for the Tri-Cities.

He joins a YMCA staff which includes as full-time members

GC Harriers Lose Close Meet, 26-32

Granite City high school's cross country team was defeated by Alton 26-32, Thursday on the Rock Springs Park course in Alton.

Gus Schalkham of Granite City finished in second place with a time of 16:26 over the 1.9-plus-mile course.

Other Warrior harriers were Joe Pashea, fourth (10:55); Dave Lomax, fifth (10:36); Mike Forcade, eighth (10:39); Paul Hopner, 13th (11:13); and John Kozak, 14th (11:13).

Alton also won the javay meet by a 17-46 score. The top Granite City runners were Carl McDowell, fourth (11:02); Mickey Kawula, seventh (11:23); Bobby Johnson, 10th (11:34); Gary Oxford, 11th (11:57); and John Brown, 14th (11:57).

Coach Dick Harmon remarked, "Most of the boys ran faster on the hilly Rock Springs course than they have at home. I'm now looking for good things on our home course."

The setback at Alton was the second loss in a row for the Warriors, who also dropped a meet to Belleville last week.

Harmon said, "Alton and Belleville seem to be out in front of everyone else in the conference."

Tomorrow, the Warriors will be at home for a meet with Wood River.

World Softball Meet

The St. Louis DeVilles, regional entry in the American Softball Association double-elimination World Tournament, defeated Salt Lake City 6-1 Saturday but lost to Sacramento 3-1 Sunday at Clearwater, Fla.

Mercer Team Scores 4-2 Baseball Victory In Prison Exhibition

No return game here is possible, but the Mercer baseball team of Granite City spent an enjoyable afternoon Saturday at the Menard state prison, Chester, defeating the Menard Cubs 4-2 with three third-inning runs and a seventh-inning tally.

Pitcher Thompson of Mercer limited the host team to two runs in the sixth inning, scattering four hits. His teammates garnered two hits, including two each by second baseman Soehnlin, leftfielder Ketter and Centerfielder Charles Johannmeier. Each squad made two errors.

Hits by Soehnlin, First-baseman Opich, Johannmeier and Shortstop Tankley highlighted the decisive third inning, with Johannmeier clouting a two-run homer and finishing the day with three runs batted in. Mercer players stole six bases.

It was an exhibition game for the Mercer squad which, like the other two local Inter-City League teams, has ended its 1965 season.

In Inter-City playoff games yesterday, Collinsville and Pochontas reached the final best-of-three championship series by scoring runs.

Shut out the Maryville Red Sox 2-0 and Pochontas downed St. Clair 6-2.

Trojan Cross Country Team to Open Season

Madison high school cross-country runners will open their 1965 season here tomorrow afternoon in a meet with Roxana, Coach Earl McClanahan has announced.

The 20 athletes out for the team include two returning lettermen, Bob Varady, a senior, and Jim Anderson, a junior.

Miss Heaton, Larry Thomas Wed in Double-Ring Service

MR. AND MRS. LARRY THOMAS, who were married Saturday evening at Concordia Lutheran Church. A daughter of Mrs. Pearl Heaton, 2118 Lee avenue, the bride is the former Virginia Heaton.

White flowers, greenery and candlelight provided the setting Saturday evening for the 7:30 wedding at Concordia Lutheran Church of Miss Virginia Heaton, a daughter of Mrs. Pearl Heaton, 2118 Lee avenue and the late Harvey Heaton, and Larry Thomas, whose parents are Mr. and Mrs. Carl Thomas, 2145 Lee avenue.

Ronald Preloger, the organist, accompanied H. A. Amelung, soloist, as he sang the Lord's Prayer and "O Perfect Love." The Rev. Arvin Twissmeyer officiated at the double-ring service. A reception was held afterward in the church hall with Miss Pamela Thomas, a sister of the bridegroom, and Miss Joyce Hopkins assisting.

The bride was given in marriage by her brother, Lawrence Heaton. She wore a gown of pale blue and lace styled with a scalloped sash and neckline embellished with iridescent sequins and seed pearls on the molded Chantilly lace bodice. Long sleeves tapered to points at the hands and the bouffant skirt featured a redingote effect over lace. Small bows cascaded down the back, ending in a full court train. A tiered bouffant veil of silk illusion was attached to a heart-shaped crown of crystals and the bride carried white carnations and camellia foliage in a cascade bouquet.

Mrs. Herbert Heaton, sister-in-law of the bride, as matron of honor, and Miss Cathy Coyte, bridesmaid, wore street-length dresses of silk organza over tulle with scoop necklines, short

sleeves and bows and streamers at the back of the waists. Fabric roses and circular nose veils matched the dresses and both attendants carried nosegays of pink and white carnations and pom poms.

Kathy Cuvar and Michael DeGonia, niece and nephew of the bride, served as flower girl and ring bearer. The former was dressed like the older girls with a band in her hair and a short nose veil. She carried a basket of pink flowers and rose petals. Herbert Heaton, the bride's brother, was best man, and Richard Tarshavich served as groomsmen. Edward Christ and William Niepert were ushers.

The bride's mother wore a light blue lace dress and black accessories, while the bridegroom's mother chose turquoise blue with coordinating accessories. Both had corsages of white carnations.

The bride and groom are graduates of Granite City high school, and the former Miss Heaton is also a graduate of a school of beauty culture. She is employed in a local beauty salon. Mr. Thomas is a Granite City Steel Co. employee.

Out-of-town guests here for the wedding were Mrs. L. D. McMahon, Mr. and Mrs. Charles Miller and daughter, Phyllis, and Mr. and Mrs. Robert McMahon of Wolf Lake, Ill., and Mr. and Mrs. W. E. Henby and daughter Jo Vonna of Anna, Ill.

The rehearsal dinner was held Friday evening at the Luna Cafe.

SEPTEMBER BRIDE, Mrs. John Gages, the former Deloris Ruth Melton, who was married Saturday at Trinity Methodist Church. She is a daughter of Mr. and Mrs. Ezra Melton, 4121 Breckenridge lane.

Trinity Methodist is Scene Of Gages-Melton Nuptials

Miss Deloris Ruth Melton and John Martin Gages were married Saturday evening at Trinity Methodist Church.

The parents of the couple are Mr. and Mrs. Ezra N. Melton, 4121 Breckenridge lane, and Mr. and Mrs. John Gages, 2363 State street.

The candlelight ceremony was performed at 7 o'clock by the Rev. R. T. Vofford, of Effingham, Ill., an uncle of the bride, assisted by the church pastor, Rev. Claire Clark beneath an arch of brass candleabra, flanked at either side with branched candleabra. Bouquets of white gladioli and chrysanthemums adorned the altar, together with urns of greenery and candles illuminated the main aisle of the sanctuary, the pews marked with white satin bows. The double-ring service was used.

Miss Sylvia Spengler, organist, and Miss Dolores Seacase, soloist, provided a program of wedding music. The songs were "The Wedding Prayer" and "I'll Walk Beside You."

The bride was given in marriage by her parents. She wore a gown of pure white silk organza with a rounded neckline and an empire bodice. The A-line skirt was controlled in front with appliques of imported Chantilly lace spiraling upward from the front of the waist to the hem line. Back interest was accomplished with a lace court train secured to the back neckline and forming capulet sleeves.

A forward headpiece of small fabric roses entwined with pearls accented the bouffant tiered veil of imported silk illusion and the only ornament worn was a strand of pearls. The bridegroom's gift. The bride held a cascade arrangement of white mums, staphanosis and ivy with a corsage center.

The attendants, Miss Mary

Frances Gavin, maid of honor, and Miss Becky Mahl, a niece of the groom, bridesmaid, were dressed alike in gowns of crepe with molded bodices of white brocade styled with empire waists, round necklines and scalloped sleeves. The skirts were of gold colored crepe, featuring Watteau panels topped with fabric bows. Headpieces were of the dress fabric with gold tiered veils. They carried cascades of Talsman roses, and yellow carnations with gold net and velvet streamers.

A little flower girl, Deborah Melton, niece of the bride, wore a long dress of white tulle with a bouffant skirt and a Watteau panel in the back. A pleated cummerbund encircled the waist and on her hair was a flowered band. She carried a basket of white and gold petals.

Norman Edward Gan, the bride's nephew, carried the rings on a satin pillow.

Howard Dutka, the best man, and William Walker, the bridegroom's nephew, Dave Robertson and Arthur Voelger were groomsmen and ushers.

For her daughter's wedding Mrs. Melton was dressed in light blue crepe, while Mrs. Gages wore a gown of white silk. Both had corsages of white roses.

A reception in the church hall was held directly after the service. Mrs. Harry Bauer was in charge of the guest book.

The newlyweds will be at home after Oct. 1 in St. Ann, Mo. They will honeymoon in Colorado Springs, Estes Park and Denver, Colo.

Both young people are graduates of the Granite City high school and both are employed in St. Louis.

Out-of-town guests were the bride's uncle and aunt, Rev. and Mrs. Wofford and their daughter, Margaret Ann, of Effingham.

DUV Tent 92 Begins Season

The first meeting of the season was held Thursday evening by Aunt Becky Young Tent 92, Daughters of United Veterans, with Mrs. Grace Bourbon of Iowa street, president, in charge. Plans were completed for the southern Illinois District 8 meeting to be held Wednesday at St. Peter United Church of Christ. Mrs. Violet Kassabaum of the local tent is District 8 president, and Tent 92 is the meeting hostess.

During Thursday night's meet-

ing, reports were given by Mrs. Louise Thompson, Mrs. Laura Bishop, Mrs. Arlene Fox and Mrs. Maude Lewis. A report on a department convention in Chicago was presented by Mrs. Joyce Schmidt and Mrs. Bourbon.

A luncheon was served by Mrs. Irma Taylor, hostess; and in games, prizes were won by Mrs. Schmidt, Mrs. Bourbon and Mrs. Kassabaum. The tent will meet Oct. 21 with Mrs. Kassabaum.

Ladies Coterie Opens Season

The Ladies Coterie opened the 1965-66 season Thursday afternoon with a meeting in the parlors of First United Presbyterian Church.

Mrs. C. W. Munson was hostess for the day and 28 were present, including a guest, Mrs. Walter Kerch.

Mrs. R. E. Chapman, 1965-66 president, called the meeting to order and presided following the opening prayer by Mrs. C. A. Uzzell.

A communication was read by Mrs. Christ Louis, scholarship chairman, from Kathy Zenick, who attended the Illinois Summer Youth Music Camp at the University of Illinois, and Mrs. Chapman reported on the philanthropic work of the club.

Mrs. W. G. Cooley, president of the Madison County Unit, Illinois Federation of Women's Clubs and a past Coterie president, announced a regional meeting to take place Sept. 25 at the United Church of Christ in East St. Louis. Mrs. Chapman, Mrs. Rex Niles, Mrs. E. H. Theis, Mrs. Evan Griffith and Mrs. Walter Coolidge will attend from the local club.

A meeting of the Madison County Unit is scheduled for Oct. 20 at Eden United Church of Christ in Edwardsville.

Mrs. Clarence Boettger, program chairman for the year, introduced Mrs. G. E. Halvima, who provided the program for Thursday's meeting. She presented Mrs. John Tate, who played two piano numbers, "Evening Shadows," by Irma Marchand Ritter, and "The Swallows," by Noelck. Also on the program was a display by members of the Granite City Art Guild, Mrs. Phil Spence, Mrs. Marian Shelton and Mrs. Ruth Tyler, of some of their paintings. The Coterie will meet again Oct. 7 at the church with Mrs. Theis as hostess.

St. Joseph P & F Elects Officers

The Parents and Friends Club of St. Joseph's Catholic Church met Thursday evening in the church hall and elected the following officers for the 1965-66 season:

Dr. J. R. Vasiloff, president, re-elected; Donald Patrick, vice-president; Mrs. Betty Thornton, treasurer; Mrs. Teresa Patrick, secretary; and Mrs. Mary Scanlan, assistant secretary.

Dr. Vasiloff welcomed several new members and announced a bake sale to be held Oct. 24.

Mrs. Frances Wilhelm's room received the attendance award.

CLUB CELEBRATES TWO BIRTHDAYS

The Bunko-Ettes met Thursday night in the home of Mrs. Leona Delatoye, 2603 Washington avenue, and celebrated birthdays of two members with a cake and gifts. Those honored were Mrs. Elizabeth Ashby and Mrs. Helen Lipchik.

Prizes were awarded to Angie Buehler, Mrs. Delatoye, Evelyn McCollegan, Fay Briggs and Bea Lanahan. Other members present were Mrs. Juanita Blovis and Dorothy Barnett. The next meeting will be held at the home of Mrs. Buehler, 2601 Madison avenue, Sept. 30.

NAMEOKI WOMEN'S CLUB SETS GOALS FOR YEAR

The Nameoki Women's club held its initial meeting of 1965-66 Wednesday at the Rose Bowl. It was a one o'clock meeting, and hostesses for the meeting were Mesdames Leo Schermer, Frank Seiter and Otto Shelton.

A business meeting was conducted by the president, Mrs. Charles Littlejohn, Mrs. Harold Stewart led the members in the pledge of allegiance and the club collect.

Mrs. Emil Mueller was welcomed as a new member. Mrs. Dawson Wade, ways and means chairman, announced a rummage sale at the Odd Fellows hall Oct. 15. The club members will also sell a variety of items of ribbon, with the proceeds going to civic projects.

The program, "Goals for the Year," was presided by Mrs. William Ogden. As chairman of conservation, she also spoke briefly on that subject.

Other chairmen named were Mrs. Wade, education; Mrs. Shelton, fine arts; Mrs. Ernest Wehl, international affairs; and Mrs. Schermer, public affairs. Each chairman will use her topic for a program during the coming year.

The next meeting is planned for Oct. 20, when hostesses will be Mesdames Herman Steinberg, A. H. Steinhilber and Harold Stewart. "International Affairs" will be the program.

Others present were Mesdames Emmett Belter, J. C. Byers, Harold Caldwell, Wilford Cooley, Merl Jennings, Paul Maas, Louis Meek, Steinberg, Veith, Adolph Weiss and Fred Werner.

HOME FROM VACATION

Mrs. Earl Miles, 4265 East Lake drive, returned Wednesday from a week's vacation in Bloomington and Normal. While away, she was the guest of her sister, Mrs. Ethel Dorsey, a former resident of Venice.

She also visited nephews and nieces, Mr. and Mrs. Russell Dorsey and Mr. and Mrs. Bernice Dahlquist, all residing in Normal. Nieces and their families visited in Bloomington were Mr. and Mrs. Willard Lankowski and Mr. and Mrs. Richard Kellerhals.

BIRTHDAYS OBSERVED

The Nameoki Methodist Church Quilting circle met at the church Wednesday for a regular session. The circle observed the birthdays of Mrs. Villa Ridings, Mrs. Dorothy Wallace and three from the summer months. Mrs. Effie Vresek, May Witter and Violet Miller.

Decorated birthday cakes were served with the luncheon in their honor.

Others present were Mesdames Luan Briner, Ella Potter, Lucille Russell, Mary Bailey, Dorothy Simmel, Lexie Vick, Lucille Webb, Mayne West, Pat Baumberger, Fay Bess, Anna Alois, Virgie Daniels and one guest, Mrs. Bertha Cummins of Collinsville. The circle will meet again Sept. 22 at the church.

The Marysville school PTA will hold its annual candy sale during the fall. A spring project is yet to be announced.

The executive board will meet during October but the next

meeting for PTA members will be Nov. 9 at the school. The meetings have been changed this year so that the board and membership meetings are held in alternate months.

LYDIA CIRCLE MEETS AT NAMEOKI METHODIST

The Lydia circle of Nameoki Methodist Church met Thursday evening at the church on Porton road for its monthly meeting. The chairman, Mrs. Dorothy Wallace, presided over the business meeting and opening prayer was given by Mrs. Virgie Daniels. Devotions were given by Mrs. Ann Haley.

The lesson, "Congo Peace Makers," was presented by Mrs. Luan Briner. Other announcements included the 40th anniversary tea at the church Sept. 26 from 2 to 4 p.m. The next executive board meeting is scheduled for Sept. 30 at the church.

Refreshments were served to those named and Mesdames Doris Laibner, Betty Milwee, Ena Potter and Lucille Russell. The next meeting will be held Oct. 21.

LUTHERAN WOMEN PLAN AUTUMN ACTIVITIES

The Women's League of Hope Lutheran Church held a monthly meeting Thursday at the church. A salad luncheon was served at noon, followed by the business meeting.

Opening devotions were given by Mrs. Richard Oram. Her topic for the program was "Women of the Bible," and she spoke on the life of Rebecca.

Mrs. Raymond Schubert, president, opened the business session and received committee reports from Mrs. Henry Soehnlin and Mrs. Phillip Hogg.

Final plans were made to hold a rummage sale Oct. 8 at the Odd Fellows hall. The group also will serve refreshments to ladies at the Alton State Hospital Sept. 24.

Mrs. Schubert announced a workshop will be held Sept. 28 at 7:30 p.m. at the Zion Lutheran church in Belleville. All ladies of the church are being invited to attend.

The Women's League plans to visit Concordia Seminary in St. Louis on Oct. 15, when the members will be taken on a tour and will have luncheon there.

At the close of the meeting, a play was presented, titled "Operation Heart," by Mesdames Ernest McDonald, Soehnlin, Alvin Acola, Peter Santiago and Hoggan.

The evening's prize went to Mrs. David Rousseau. Hostesses were Mesdames Charles Kuehli, Robert Kraus, John Kudelka and Charles Klug.

SOCIETY

MR. AND MRS. ROBERT DECKARD, their wedding took place Saturday evening at Pontoon Beach Church of Christ. Prior to her marriage the bride was Marilyn Jean Murphy, a daughter of Mrs. Magie Moses of St. Charles, Mo., and Frank Murphy, 5129 Rapp road.

Miss Marilyn Jean Murphy And Robt. Deckard are Wed

In an evening ceremony Friday at Pontoon Beach Church of Christ Miss Marilyn Jean Murphy was married to Robert Deckard.

The bride's parents are Frank Murphy, Rapp road, and Mrs. Magie Moses, Charleston, Ill. Mr. Deckard is a son of Mr. and Mrs. Kenneth Deckard, 1206 Granite avenue.

Rev. George Laskey officiated and music for the ceremony was furnished by Mrs. Bill Vanscoyke, organist, and Marion Hayes, soloist. The latter sang "Because" and the Lord's Prayer.

Mrs. Hester Ellsworth was matron of honor for her sister, Miss Kathy Ryan, a cousin, was bridesmaid. Marcia Moses, another sister of the bride, and Frank Murphy, a brother, served as flower girl and ring bearer. Mr. Murphy gave his daughter in marriage.

Harry Ellsworth, brother-in-law of the bride, was best man; and Charles Reisinger, Donald Baker and Daniel Steward made up the list of groomsmen and ushers.

A gown of silk organza with a round neck dipping low in the back was worn by the bride. A triple layer of Alençon lace appliques and motifs of hand-embroidered lace trimmed the neck. The empire waist was outlined with a self fabric band and bow. The sleeves were short and gathered with lace extending to the bottoms of the sleeves. An Alençon skirt was pleated in the front and a Watteau back fell into a full aisle-wide court train. The shoulder length veil of illusion was attached to a crown of pearls with a single tear drop crystal in front. A cascade bouquet was made up of Alençon lace appliques of the valley and satin love knots and streamers with a corsage in the center.

The bridesmaids wore floor-length dresses of burgundy taffeta with high, round necks, short sleeves and fitted bodices. Their bell skirts were topped with bows at the front waistline and white taffeta headpieces were attached to circular nose veils. Their flower girls wore cascades of pink pom poms and satin ribbon.

The flower girl also is burgundy with a sleeveless white lace jacket. The skirt was full with a large bow in the back and she carried a miniature bouquet of pink pom poms and satin ribbon.

A dress of beige with brown accessories was worn by the bride's mother. The bridegroom's mother was in pink nylon lace and white accessories. Both wore white snowflake pom poms.

A reception was held in the basement after the ceremony. The church sanctuary was decorated with pink and white flowers on the altar and illuminated with burning candles in branched candelabra.

The bride is a junior student at the Granite City high school where Mr. Deckard was graduated. After a brief honeymoon they will reside in Granite City.

The double-ring ceremony was used and assisting at the reception was Miss Jeanie Yeager.

Out-of-town at the wedding besides the bride's mother and her children, Marcia, Monte and Ernest, were Miss Gay Gordon of Charleston, Ill., and Mrs. Kip Hasty, of Mackinaw, Ill., grandmother of the bride.

Hoevels Home From Hawaii

Mr. and Mrs. Robert Hoevel, 2914 Yale drive, returned Thursday night from a four-week vacation trip in western cities and Hawaii, from where they made side trips to many of the islands.

Traveling by rail, Mr. and Mrs. Hoevel first went to Denver, Salt Lake City and San Francisco, enjoying sightseeing tours in those cities. They traveled by plane from San Francisco to Honolulu, where they stayed at the Hilton Hawaiian Village.

They toured the Island of Maui, and the larger Isle of Kauai, where they stopped at the Coco Palms for three days. They returned to Los Angeles by plane and then went to Las Vegas, Nevada, where they stopped two days before returning to Granite City.

Among those present were Mr. and Mrs. A. J. Mueller sr., Mr. and Mrs. David Johns, Mr. and Mrs. Floyd T. Mitchell, Dr. and Mrs. E. H. Theis, Mr. and Mrs. Roland A. Mueller, Mrs. Golda Bieser, Mrs. Eva Shearer, Mrs. Evelyn Ackerman, Miss Friede Michel, Mrs. Clara Harbig, Mrs. Amy Cherry, Mrs. Peters and Wayne Richardson.

After the 12:30 luncheon program will be presented by Thorton Miller, of the State Conservation department, whose subject will be "Water Pollution."

Following this there will be a tour through the historical Cahokia court house and the Old Holy Family Church.

Guest of honor was Mrs. Adele M. Maynard of the Nova Chapter, Chicago, a member of the Eligibility committee of the Grand Chapter of Illinois. Guest in the East was Louise Buch, worthy Matron of Edwardsville.

Others escorted were Elfreda Barr, past Grand Matron of Illinois; Lucille Turner of the Walton Chapter of Alton, a grand representative of Maine in Illinois; grand representatives; members of grand chapter committees; a past grand officer of 1942, Mrs. Ethel Atterbury of the Alton chapter, and worthy matrons and worthy patrons.

LaVerne Larsen, worthy patron of Granite Chapter, and Everett Turner, past patron of the Alton chapter, were soloists; Hulda Griffith, past Matron of the Granite chapter was organist. March 11 d. Andrejewski, worthy matron of O'Fallon, and Alice Davis, worthy Matron of Brighton, were in charge of the guest books. Ida Carus, Granite chapter, and Elfreda Voelkel, Mascoutah, were in charge of the program.

Classrooms will be Novelty For SIU-SW Adult Group

"If we ever get to the point where there is no shortage of classroom space, we will have to reorient our thinking completely," E. R. Casstevens, supervisor of Technical and Adult Education for the Southern Illinois University, remarked today.

But lack of space does not deter SIU-SW from taking education to adult students wherever it finds them, which results in the fact that classes often are held in some pretty unusual places.

For example, the SIU-SW Technical and Adult Education Division recently conducted night courses in "The Supervisor and His Job" and "Practical Psychology for Supervisors" in a room at the Sheraton Jefferson Hotel in St. Louis. The courses were employees of Valley Steel Products Co., who came from five small plants in southern Illinois and one in Missouri.

Adult Education Needed
Because of advancing technology and the trend toward specialization of jobs in business and industry, continuing adult education has become a pressing need to keep the wheels of progress turning.

To help satisfy this need, courses currently are being offered in basic metallurgy, labor law, materials handling, quality control, machine shorthand, reading improvement, foreman development, traffic management, and many others.

In addition to the SIU teaching centers at Alton and East St. Louis, classes have met in such places as the Miners Hall in Collinsville, the Madison county court house, the Western Club in East Alton, the Pore Marquette Lodge at Grafton, and Rusty's restaurant in Edwardsville, plus the office buildings of Granite City Steel, Monsanto Chemical, American Steel Foundries, the American Zinc Co., Illinois, Laclede Steel, Owens-Illinois Glass, and others.

For the past several years, a sequence of courses for personnel at the middle management level has been offered regularly at the Sheraton Jefferson Hotel during construction on the SIU Southwestern Campus.

Now that the first new buildings there are ready for operation, however, it's conceivable that the SIU-SW Technical and Adult Education Division may be moving out of hotel and motel rooms, factory offices, and little old red schoolhouses to—of all places—real classrooms on a university campus.

Licenses of 5 Local Motorists Revoked

Licenses of five Quad-Cityans have been revoked by the Drivers License Division of the Illinois secretary of state's office, it was announced today. Included was the license of James L. Nash, 2393 Spalding avenue, for allegedly giving incorrect information on his license application.

Driving while intoxicated was cited in four revocations—Harrell G. Smith, Rural Route One, Charles E. Spivey, 1506 Second street, Madison, Larry G. Webb, 115 Greiner Homes, Madison, and Charles E. Westbrook, 2156 Adams street.

Also announced was suspension of the license of William D. Hefner, 4011 Melrose avenue, for three traffic violations. A probationary permit has been issued to Hefner.

Fined on Two Charges

Michael Mueller, 1527 Lindell blvd., was fined \$15 plus \$5 costs on a careless driving charge and \$20 plus \$5 costs on a speeding charge Thursday by Magistrate Hiscott. The charges were filed Sept. 9 following an auto accident.

Ross Randolph Says Crime Rate is Soaring

Increase in the nation's crime rate far beyond population gains and the need to train state prisoners to become self-supporting within the law were major points brought out by Ross Randolph, state director of public safety, in a talk Thursday afternoon to Granite City Optimist Club members.

Randolph, former warden at Menard state penitentiary, said the nation's crime rate has tripled in face of population increases and that 64% of all crimes are committed by youngsters under 17. He emphasized that prisoners should concentrate on training programs to provide inmates with new backgrounds that would help them get jobs and become self-supporting upon their release.

Other special guests of the club, which met for the luncheon meeting at the YMCA, were State Police Captain Emil Tofant of Madison; Granite City Police Chief Raymond Willardet; and Chief of Detectives George Teller.

The meeting was presided over by Edw. Stone, club president, and 30 members were present. It was announced that plans are being advanced for the annual sale of Christmas trees on the city-owned block at 2300 Madison avenue.

The sale will be conducted by the Granite City Optimists with G. H. Sternberg as chairman and the Twilight Optimist Club with George England as chairman.

Falls, Other Injuries Treated at Hospital

Falls were factors in many of the injuries treated Friday at St. Elizabeth Hospital. Those treated included Norma Hufstetler, 34, of 2409 Bryan avenue, who reported falling down city hall steps; x-rays were taken.

Howard Earney, 48, of 2874 Ralph street fell and injured his left hand and Steve Horvath, 13, of 1734 Spruce street fell at school and hurt his left arm.

Also hurt at school, Loretta Ippock, 13, of 2505 Center street hit her head against a classroom window and received a cut above the left eyebrow. Walter Marzluft, 13, of 2242 Cleveland blvd. injured his right index finger while playing football. John Williams, six, 4801 Highway 162, received a lacerated left heel at school when a bench fell on it.

Plaster fell across the chest, upper arm and head of Charles Smith, 41, of 404 Weaver street, Venice, Friday, necessitating x-rays. Kenneth Black, 50, of 20th street and Delmar avenue dropped a trailer onto a toe of his right foot; and Charles Dean, 404, East Lake drive, Pontoon Beach, lacerated his left thumb and index finger.

Joseph Wallace 111, 18, of 2117 Myrtle avenue accidentally ran an arm through a glass window at a skating rink, suffering a laceration. Kathy Creasy, 34, of 4438 Highway 162 stepped on a rusty nail with her right foot; Theodore Porter Jr., 17, of 1108 Douglas street, Venice, ran his left hand through a car door window; Joyce Young, two, Route Three, Collinsville, had a small piece of broken glass imbedded in her right foot; and Richard Ramsey Jr., two, 2251 Pontoon road, swallowed a penny. Wallace was admitted to the hospital Friday and was released Saturday.

Damaged at Bridge

Two autos were damaged on McKinley bridge on the east side of the toll station at 9:35 a.m. Friday. Police reported a car driven by Jackie Wiesman of 1106 Twenty-Seventh street, was damaged in the rear, and one driven by Thomas Dennis, St. Louis, was damaged in the front. Both cars were headed west and the Wiesman auto was passing the Dennis car when the bumpers hooked, police said.

and manholes in Venice so that steps can be taken to eliminate odors emanating from the area. Since said he has received numerous complaints of odors.

City Zoning Discussed
The mayor also told the council that he and Stephen Maers, mayor of Madison, had conferred with Theodore Mikesell, executive director of the Southwestern Illinois Metropolitan Area Planning Commission, concerning a study of housing, land use, population and other factors pertinent to development of zoning and planning laws for Venice and Madison.

Mayor Lee said that Mikesell will present the council with a contract for the study under which it will be possible for the city to obtain about two-thirds of the study costs from the federal government, with the city to provide the other third.

The mayor has pressed for passage of planning and zoning regulations in Venice since passage of state legislation that gives the county control of zoning in areas that do not have zoning regulations of their own.

The mayor said Mikesell is expected to present the program at the council's next meeting Oct. 1.

Committee Bypassed
Approval by the council of \$150 expense allowances for each of three city firemen who will attend the annual convention of the Illinois Firemen's convention in Waukegan on Sept. 30 and Oct. 1 and 2 brought a protest from Wince.

He said that as chairman of the fire and water committee he had not been consulted on the selection of the men who will attend the convention, nor had he seen the recommendation before it was submitted to the council. Wince voted for the expenditure, but then referred the matter and the council to a section of the city code that provides for the fire and water committee to "supervise" activities of the department and make recommendations to the council for improvement of the fire department.

Wince asked the mayor to rule on whether or not the action approving the convention delegates and expenditures was out of order.

Legal Opinion
Mayor Lee, in turn, referred the question to City Attorney Harry E. Hartman, who checked the city code and replied that the code gave the committee supervisory authority over the fire department. He said, however, that the council had approved the expenditure and that it would stand, legally.

Mayor Lee pointed out that, in any case, no expenditure could be approved by the committee, since it would have to be approved by the council.

Wince replied that he had no intention of depriving the firemen of the privilege of attending the convention, but that he was "trying to take some of the burden off the mayor's back by doing my job."

Wince said he thought the mayor had too much to do in keeping track of all the activities of the council. The alderman said that each committee should perform its functions as prescribed by the city code.

Mayor Lee replied that the fire department is not a city organization, that it is a voluntary group and that it is a city function only in that the city pays it for making fire calls. The firemen who attend conventions and state meetings are elected by the members of the department, the mayor noted.

Will Attend Meetings
Wince said that hereafter he will attend all meetings of the fire department and intends to work closely with department officials. Firemen who are to attend the state meet are Thomas J. Scatturo, Thomas Kowalski and Fire Chief William Meehan.

An ordinance banning parking on both sides of Salveur street from College street north to Allen street was approved. The action was required by the state highway division to permit use of motor fuel tax funds for maintenance of Salveur.

academic core will be a "pedestrian campus," with traffic limited to service and delivery vehicles, and some of these will use underground ramps. The core is reached by a road which provides access to Highway 137 (formerly Bypass 66) at two points.

Among unusual features of the buildings are the placement of stairs, restrooms, elevators and mechanical equipment, in towers around the edges of the structures. This leaves interior spaces free, and movable partitions can easily be rearranged to accommodate classes with as few as 12 or as many as 200 students.

Air-Conditioned Classrooms
Despite vast expanses of glass in the buildings which afford panoramic views of the sprawling 2000-acre campus from hallways and higher classrooms, will have no windows to distract the attention of students. Instead, the rooms will be enclosed on four sides and air-conditioned.

The library has carpeting through most of the building. Recommended by the Ford Foundation at SIU showed this would not only reduce noise but would prove cheaper in the long run—easier to maintain than conventional floor covering.

The library also has the largest architectural installation of polarized lighting, a recent development said to be much easier on the eyes than fluorescent.

Some 40,000 volumes will be in the library when classes open, and the moving of books should be completed by the end of the month. Including the libraries at the two teaching centers, the new campus will have about 185,000 volumes, and acquisitions have been amounting to about 5000 volumes a month.

Center Ready Next Year
Until a University Center is ready next year, food service on the campus will consist of an elaborate vending machine operation in the library basement.

The Peck Classroom Building is named for the pioneer educator of polarized lighting, a recent development said to be much easier on the eyes than fluorescent.

Father of GC Resident Buried in Collinsville

Funeral services for Edward W. Giger, 59, of Collinsville, father of John C. Giger of Granite City, were held at 1:30 p.m. today with burial in St. John's Cemetery, Collinsville.

The elder Giger died at 2:50 p.m. Friday in St. Mary's Hospital, East St. Louis, where he had been a patient for two weeks. Two grandchildren from Granite City also are among survivors.

Architect for the campus was the firm of Hellmuth, Obata and Kassabaum, St. Louis, with Gyo Obata the chief designer.

Based on 1966 State. The campus had its beginnings with the Southwestern Illinois Council for Higher Education, which invited Prof. Alonzo F. Myers of New York University to study the needs for higher education in Madison and St. Clair counties in 1956.

If a four-year college could be constructed, Myers reported, it would have an enrollment of 8500 to 10000 by 1967, and he recommended that SIU be selected to fill the higher education gap in the area.

The university started toward that goal by leasing the former Shortell College at Alton and the old East St. Louis high school, where degree programs have been offered now for eight years. Both will continue to be used for classes by SIU.

Land Donated by Public
Local citizens, along with business, labor and civic groups, contributed nearly \$43,000 toward purchase of land for a campus, and the site was selected east of the Quad-Cities and southwest of Edwardsville.

Passage of statewide Universities Building Bond Issue at the polls in 1960 made \$25 million available for the first stage of construction.

A communications building, which will include facilities for closed circuit educational television, is scheduled for occupancy in the spring, and the massive University Center should be ready by next September.

The five buildings in the initial construction stage contain a total of more than 700,000 square feet of floor space.

MISS CAROLYN SEGAL, whose parents, Mr. and Mrs. Cy Segal of Tulsa, Okla., are announcing her engagement to Gregory L. Norris, a son of Mrs. Ramona Norris, 2255 Washington avenue, and R. L. Norris, Sand Springs, Okla.

Norris-Segal Engagement

Mr. and Mrs. Cy Segal of Tulsa, Okla., are announcing the engagement of their daughter, Miss Carolyn Segal, to Gregory L. Norris, whose parents are Mrs. Ramona Norris, 2255 Washington avenue, and R. L. Norris, Sand Springs, Okla.

The bride-to-be is attending school in Tulsa. Her fiancé, a former Granite Cityan, attended the local schools prior to moving to Oklahoma. He is a graduate of Charles Page high school in Sand Springs and is presently employed in Tulsa. A late winter wedding is planned.

Garden Club Guest Day Brunch
The Thorngate Garden Club entertained representatives of other garden clubs of this area at an annual guest day brunch at an annual guest day brunch at 10 a.m. at the home of Mrs. Charles Delph on St. Thomas road.

The guests were seated at attractively decorated tables in the Florida room with yellow roses the motif in napkins and table cloths. Favours were individual flower arrangements in milk glass vases. Place cards had tiny attached umbrellas.

Fresh flowers were used about the rooms with an arrangement of gladioli on the buffet table. The invocation was given by Mrs. Frank Hanfielder, Mrs. Robert Miller, in the absence of the president, Mrs. Robert Lee, welcomed the guests and had each one introduce herself and relate something of the club's activities.

Mrs. Lawrence Markham had on display samples of craft work done by patients at the Alton State Hospital. Volunteer service at the hospital is done on a weekly basis by several members and on special occasions as a club project.

Mrs. Hanfielder also introduced the guest speaker, Mrs. Harry Johnson, world traveler and former Madison teacher, who returned recently with her husband from a world tour. She described many of the countries which they visited and displayed many works of art and handicrafts. An Arab headdress and an East Indian Hindu woman's sari were modeled by Mrs. William Kincaid and Mrs. Delph.

Bride-to-be Is Honoree

A bride shower honoring Miss Kathy Hillmer, who will marry Oct. 23 to Robert Lombardi, was given Sunday at the VFW hall with about 70 guests attending.

Hostesses were Mrs. Ann Hamman, Mrs. Mary Germannese, Mrs. Virginia Roberts, Mrs. Dolores Williams and Mrs. Lora Mac Lombardi.

The gift table was covered in white with a white tulle skirt and centered with a four-foot bride doll under an arch covered with red and yellow and white roses. The guest tables held centerpieces of white and gold flowers, miniature bride dolls, white lace umbrellas and sprinkling cans. Favours were small soap flowers.

A buffet luncheon was served from a table holding baskets of white and yellow flowers flanked with yellow candles in candelabras. The decorations were by Mrs. Mary Bero.

Games were played and prizes were won by Madeline Christine Petrillo, Nick Petrillo, Bernice Lombardi, Ramona Lombardi, Marie Lombardi, Diana Meyer, Frances Alessandrelli, Dolores Renaud, Mary Hillmer, Helen Toundas, Marie Vandine, Rose Coltonette, Josephine Gibson, Jeanette Santiago, Dolores Parente, Millie Chomko, Margie Norwood and Misses Mary Alice Thomas, Diane Hannas and Kathy Ann Hillmer.

\$7 Million State Aid To Schools in County

Ray Page, state superintendent of public instruction, today announced that he has certified state aid claims for the 1964-65 school year, amounting to \$194,416,937. This includes all amended claims of school districts throughout the state. The Madison county total is \$7,432,355.

Page said school districts have received six monthly payments on the basic claims submitted last year. The remainder of the payments for the 1964-65 school year, based on amended state aid claims, will be completed by January 1966. These claims were computed under the formula using a \$22-per-pupil foundation guarantee. These claims were filed by 1383 districts.

Districts will file a basic state aid claim for the 1965-66 school year by Oct. 25 of this year with County Supt. of Schools Wilbur Trimpe. This basic claim will be computed under the new \$330 per pupil foundation guarantee and filed with the Office of Public Instruction by Nov. 15. These claims will be certified to the State Auditor for payment Jan. 25.

School districts will actually receive first benefits under the new state aid formula in February 1966, at which time payments on the basis of the new formula will begin.

Hit-and-Run Accident

THE PASTOR SPEAKS

CAPT. RICHMOND H. HILTON
Granite City Army Depot

Here at the Army Depot we have launched what we call the "zero defects" program.

The idea is to replace the negative attitude that "mistakes are inevitable so why try?" with the positive attitude of "do it right the first time."

And in the Army it is imperative that things work the first time. If they don't, the enemy might make sure there is no second chance.

But what about the spiritual and moral and physical realms? We don't want to talk about that, do we, "because the good Lord is a good God, and he overrules the little sins of us poor mortals."

Says who?

Not the Bible, that is for sure. "The wrath of God is revealed from heaven against all unrighteousness and ungodliness of men, who hold the truth in unrighteousness." Roman 1:18.

Drinking, Smoking, Swearing

You may kid yourself that there is no harm in a little drinking, but the word of God says it is "what good does it do?"

In my counseling, a conservative estimate would be that drinking is either a direct or indirect cause of 90% of the troubles I deal with.

You may whisper in the dark and say it is the greatest evil that links cigarettes with lung cancer—and continue to blow smoke in other folks' faces and small like you've been in hell.

You may say you just have to use the fourteen senseless swear words in the English language to express yourself—despite the thousands of other words that are available—but we are reminded by the Scriptures that these things are evil (Matthew 5:37).

And, you may say, "What's wrong with a little while now and then?" It's just something that the Lord hates: Proverbs 6:18.

Perfection Or Cussedness

I And I could go on and on, but I think we get the picture. We are not righteous because we don't want to be. We shrug off our hypocrisy and inconsistency by blaming "human weakness" when it is not human weakness. It is just pure cussedness.

Remember the words of the Master: "Be ye therefore perfect, even as your Father in heaven is perfect." Matthew 5:48.

The FORUM

Name and address must accompany each letter, but will not be revealed if anonymity is requested. Communications of less than 250 words will be given preference. All are subject to condensation and grammatical changes. Letters with obscenities or misstatements or lacking in taste or fair play will be rejected or edited.

EDUCATIONAL, PATRIOTIC EDITORIALS COMMEMORATED

As regent of the Drusilla Andrews Chapter, Daughter of the American Revolution, I want to thank you and your staff for the educational and patriotic editorials you have made possible in the newspaper public during the past years.

I have sent clippings to our state regent and constitution chairman. I received this message and I want to share it with the Press-Record staff.

"My sincere thanks for your Constitution Week report which helped to place Illinois first in the North Central Division. This is the second consecutive year that we have received this award and I am very grateful to you."

Drusilla Andrews Chapter again requests that all citizens honor Sept. 17 as Citizenship Day and the week of Sept. 17-23 as Constitution Week.

Again, may we say, "Thank You."

MRS. EVA MEIER

Public Giving Clothes To Strikers' Families

To the Editor:

Many people answered my ad in the paper and gave clothing for my four children. I cannot mention any one person, because people from all over our wonderful city called me.

All I can say is thanks to each and every one and God bless them. The extra clothing that we could not use was taken to the Union headquarters of Union Starch & Refining Co. of Union and Atomic Workers Local 7-983.

Path To 'One Man, One Vote' Ideal Still Being Blocked

Sen. Simon is right in saying in talks in this region that much of the opposition to reapportioning state legislatures according to population is "based on fear." As Thomas Jefferson said, equal representation is so vital that "no prejudices have no justification."

But, as the senator is aware, the power of Chicago machine leaders over individual voters already is immense. There is fear—valid fear—that in the commendable drive for equal representation, insufficient attention will be given to developing more effective means of curtailing improper political organization tactics—including intimidation and outright fraud—that mock the whole idea of "one man, one vote."

Go-Going To The Movies

"Help!"

No, we are not referring specifically to the Beatles' new movie title, but to motion picture titles and the general trend of becoming weirder each year, as evidenced by the upcoming "Dr. Goldfoot and the Bikini Machine."

But perhaps the titles are of some value to mankind, as an unintended commentary on life in the 1960s. We have in mind such epics as "How to Succeed in Business Without Really Trying," "Steal a Million Dollars and Live Happily Ever After," "Around the World in 80 Days," "There's No Place Like Space," "The Russians Are Coming," and, of course, "Don't Worry, We'll Think of a Title."

Double Imprisonment Ending

Although prompt trials must remain the objective, a new police procedure in Madison county based on a 1965 state law will increase the fairness of treatment accorded those unable to post bonds or held on non-bailable charges.

Accurate records are to be kept at city jails, and the general jail will be used for the detaining confinement deducted from the length of any imprisonment meted out upon conviction.

Honesty is the best advertising policy.

S. Illinois Art League Meeting Here Today

About 150 persons are attending the 91st semi-annual meeting of the Southern Illinois Art League which convened this morning in St. John United Church of Christ, 2601 Nameoki road. Calvin Lazenby Jr., of Granite City, vice-president of the League, and his wife, Bonnie Lazenby, are hosts to the group. The all-day program includes a discussion by William Stockwell, Oklahoma City, Okla., who has become widely known in the photographic field for candid and portraits. Stockwell, who spoke first on the program at 9:15 a.m., conducted a question and answer program along with his discussion.

Registration was held at the church at 8:45 a.m. The entire morning session was devoted to Stockwell's presentation, with a catered buffet luncheon served at noon.

The afternoon session is to include a business meeting, followed by a discussion on the techniques of color photography by Donald Benson, supervisor of the technical center of the Midwest Region of Eastman Kodak Co. A makeup clinic also is to be conducted by William F. Morton, Litchfield, president of the league, to demonstrate makeup techniques for color photography. At 3:30 p.m. discussions are scheduled by Edwin H. Balk, of

Chase-Park Plaza, St. Louis, and Fred Miller, Monsanto Chemical Co. on different approaches to photography. The meeting will adjourn at 5 p.m.

A print competition was conducted and each member was eligible to submit six prints which must conform to national or state competition rules. Awards will be made.

Faces Traffic Charge

James P. Blyue, 35, of 2006 Dewey avenue, was arrested on a reckless driving charge by Madison police Thursday night as the result of an accident in the 300 block of State street. Police said Blyue's car crashed into a parked car owned by Roy Hart of Collinsville. Blyue posted bond pending a hearing in magistrate's court.

Dance, Program to Climax Orientation At SIU-SW Campus

A back-to-school dance and entertainment will be held at Southern Illinois University's Southwestern Campus tonight to climax orientation activities of the current season. The entertainment will feature Russell Curry, director of the Curry School of Dancing at Boston, Mass.

Scheduled for 6:30 p.m., outdoors, on the new campus, the dance will follow a roast ox dinner and a day filled with group discussions of college life, lectures, an activities fair and games for incoming freshmen.

Since 1950, Curry's audience participation programs have been playing to capacity crowds in more than 2500 colleges, high schools and business clubs from coast to coast.

Current chairman of the National Council of Teacher Organizations, Curry has taught for the Dance Masters of America, the Dance Educators of America, the American Society for Teachers of Dancing at New York, Chicago National, and the Texas Association Teachers of Dancing.

On Tuesday, new students will tour SIU-SW's teaching centers at Alton, East St. Louis and Edwardsville under the direction of three student service organizations, Alpha Phi Omega, Delta Kappa Tau and Gamma Sigma Sigma. Registration will be held on Wednesday and fall term classes start the following day.

Dean Predicts Tough Problems for Youth

Robert E. Hill, a native of Illinois who has joined the Southern Illinois University faculty at Carbondale as dean of the School of Business, predicts critical problems and challenges ahead for America's young people.

Speaking as an economist, Hill, formerly dean of the Business College at Kent, Ohio, State University, forecast continued periodic instability for the American economy, "giving rise to cyclical swings and their unavoidable effects on large segments of population, especially as regards employment."

He offered the long-term prediction that marriages among youth will continue less and less sensitive and the volume of births more sensitive to economic fluctuations. "The poor class will not disappear and the youth of this segment will need added help in making a satisfactory adjustment from birth and early years," Hill said.

He added that "perhaps the greatest threat to the individual young man or woman will be a continued economic insecurity, illustrated by the rising hard core of unemployment in America and the overtones for increasing employment from automation."

MORE ABOUT

29 Injured

(Continued from Page 1.)

Fourth street, Madison, was taken by ambulance to St. Elizabeth Hospital at 1:30 p.m. yesterday, where he received 12 sutures to his upper lip after he was involved in a motor vehicle accident on Highway 100, near Slough road, and Danny Birks, 19, son of Mr. and Mrs. Charles Birks, 2301 Maryland, was taken to St. Elizabeth Hospital for a head injury, a fractured skull and leg x-rays, following a motorcycle accident at 4:30 p.m. No further details were available on the latter mishaps.

Two girls, passengers in a car, were injured when a car driven by Michael R. Coy, 709 Iowa street, Madison, was struck from behind by one driven by Norvell T. Cooper Jr., 2008 Harding avenue, about 3 p.m. Sunday at Logan street and Missouri avenue.

Taken to St. Elizabeth Hospital were Darlene Jackson, 16, of 1523 Market street, Madison, with pains in the left leg, abrasions to the forehead and upper lip, and Linda Dowdy, 17, of 2943 Oregon avenue, with pains in the right wrist and arm and a forehead abrasion. Both were released. They were passengers in Cooper's car.

The accident occurred while Coy was stopped at Missouri avenue waiting to make a left turn onto a parking lot.

A Venice man, Frank Parker, 23 of 213 Hampton street, and his two-year-old daughter, Vickie, were hurt at 7:50 p.m. Friday when the right side of a 1954 Ford car was struck by the front of the northbound auto of Joseph D. Pulley, 37, of 1712 Delmar avenue at 18th street and Cleveland blvd., police reported. The girl was thrown out of the car.

Parker was treated at St. Elizabeth Hospital for a left thigh injury and left scapula cut, while his daughter was taken to the hospital for treatment of multiple abrasions of the face, right arm, chest and abdomen. She was released Saturday.

Pulley was charged with improper use of a driving instruction permit. He posted \$100 cash bond at 4 p.m. Saturday and is to report for a hearing Sept. 29.

Runts After Moving Car. A four-year-old girl, Frank Sudholt, 3801 Fair Oaks drive, was taken to her family doctor for treatment after a car driven by her father into the left front of a southbound auto at 11:05 a.m. Saturday.

The mishap occurred on Johnson road at Ames avenue. The car was driven by Robert L. Ponder, 18, of 2942 Circle drive, St. Louis, who was taken to St. Elizabeth Hospital, Venice, suffered head injuries at 2:20 a.m. Saturday when his car struck a brick wall, causing a fire in the engine compartment while at Klein street and the Merchants Bridge highline in Venice.

Harris' car was damaged extensively along the entire left side and had to be towed away. Harris was taken to St. Elizabeth Hospital by ambulance. Police reported he apparently lost control of his car and sideswiped the wall.

He was admitted to the hospital after emergency treatment for a left shoulder injury and lacerations to the mouth and left arm.

Hurt In East St. Louis. Two East Madison men were injured Friday at 26th street and Missouri Avenue, East St. Louis, in a two-car collision possibly responsible for the death of the driver of the other car, a 1954 Ford, St. Elizabeth Hospital, Venice, 21:25 p.m. Saturday in St. Mary's Hospital, St. Louis. An inquest is to be held.

Thomas M. Jackson, 19, of 2019 Fourth street, was driving, was treated at St. Elizabeth Hospital for a right jaw injury. His passenger, Roy Cross Jr., 20, of 2029 Fourth street was treated here for a head injury, an abrasion to the left knee and a left leg injury. East St. Louis police said Jackson was eastbound on Missouri at the time of the crash.

Mr. Stockenberger's injuries appeared to police to be minor, and he told them he would see his family doctor. He was admitted to the hospital several days after the accident.

Walter Rusick, 57, of 1825 Sixth street, Madison, was severely injured at 6:30 p.m. Sunday when he lost control of his car and it struck a utility pole on the east side of State street at Ninth street. The impact sheered off the pole, knocking down several power lines.

Rusick was taken to St. Elizabeth Hospital with lower lip and chin cuts and right elbow, left knee and chest injuries. He was admitted to the hospital.

John W. Main, University City, Mo., was arrested at 7:55 a.m. today on a charge of disobeying a traffic signal light at 16th street and Madison avenue.

Buxton-Wilson Mishap

A car driven by William Stuart, 910 Grand avenue, Madison, headed south on Buxton avenue, struck the left rear of an auto driven east on Wilson avenue by Hershel Head, 2921 Marshall avenue, at 1:25 p.m. Thursday.

having fictitious license plates following an accident Thursday on Interstate 70 an eighth of a mile north of Exchange avenue in East St. Louis.

State police reported he ran into the rear of a car driven by Benjamin Goldfarb, 75, of Wood River, causing it to strike a bridge abutment. Goldfarb and his wife, Mrs. Lea Goldfarb, were taken to St. Mary's Hospital, East St. Louis, for treatment of injuries. Goldfarb was arrested later in Granite City.

Two Persons Injured

Daniel Rushing, 38, and a passenger, Richard Bickel, 29, both of Rural Route One, suffered minor injuries when Rushing lost control of his car and sideswiped across the center line and collided with a car driven by Edward Peluchat, 39, of Collinsville, on north frontage road of Interstate 70 three-tenths of a mile east of Highway 159 at 4:45 p.m. Thursday. Rushing was given emergency treatment at St. Elizabeth Hospital for a cut to his forehead.

Randa Kelleher, five, of 2614 Denver street, was injured when a car driven by her mother, Wanda F. Kelleher, ran into the rear of another car driven by Donald P. Short, 2908 National avenue, who made a sudden stop on 26th street on Madison avenue at 5:25 p.m. Thursday. There was no report of hospital treatment.

Two passengers in a car driven by Roy L. Logan, 81 Riviera drive, were injured in a three-car collision at 3:55 p.m. Thursday on Madison avenue at 20th street. The driver of the third car, injured were John Scherer, 60, of 3904 Franklin avenue, and Alex Rezzelly, 62, of 3 Devon Hill lane.

The accident occurred when Robert M. Wagner, Collinsville, stopped to make a right turn across the street. He was in the process of turning right onto 20th street when his car was hit by the rear of Logan's car, which was turning right from behind by Walter Ramsay, 3119 Ridge avenue.

Hurt In Madison

Charles Thomas, 16, of 1041 Market street, Venice, received minor injuries when he was struck by the rear of another car which he was riding with Willie J. Williams, 212 West Third street, Madison, was struck from the rear by another car in the 100 block of State street, Madison.

Police said Thomas was stopped, waiting for traffic, when his car was struck by one driven by Robert Ingram, 37, of 1108 Market street, Venice.

Ingram was booked on a reckless driving charge. He posted bond pending a hearing in magistrate's court. Thomas was not hospitalized.

Falls From Auto

Paul Ray Goodson, 6, son of Mr. and Mrs. Arley Hoffman, 2104 Nameoki road, was injured Saturday when he fell from a moving automobile. The child was sent to a physician for treatment.

RR Cars Derailed Near Mitchell

Forty-three cars of a New York Central freight train bound for East St. Louis were derailed on the main Indianapolis-East St. Louis line six miles east of Mitchell at 6:30 p.m. Saturday night and piled into stacks of wreckage, some as deep as four cars. More than 900 feet of track, including the bridge, was cleared to open the line this morning.

The spokesman for the line said the accident occurred when a coupling broke on an empty tank car, the 18th car back of the locomotive. As it left the track, cars behind began piling up in what witnesses said appeared to be a "snow motion."

Crewmen on the locomotive and riding in the caboose apparently escaped injury because the derailed occurred in the middle of the train.

Wreckers were called from East St. Louis and Indianapolis to clear the wreckage. N.Y.C. trains were rerouted over Pennsylvania Railroad tracks until repairs were made. No estimate of damage was available. The derailed cars contained fuel oil, wire, newsprint, and automobiles, electric appliances, pipe, scrap metal, iron, farm machinery, coal, zinc ore and funeral vaults.

Park's Theatre Trip Reservations Due

Reservations are due Friday for those interested in attending the initial American Theatre trip, scheduled for Tuesday, Oct. 2, for the Broadway musical "Carousel." It is announced today by Supt. Harold Brown of the Granite City Park district, which is sponsoring the fall and winter excursion program this year for the first time.

The park official said a reserved seat in the first balcony, plus transportation by chartered bus will cost local theatre-lovers \$5 each. A second trip is slated on Oct. 26 for a performance of the highly-rated musical comedy, "Luv," and additional trips are planned if public response is favorable, Brown said.

"Carousel" will feature such well-known stars as Edward Everett Horton, John Raitt, Susan Watson, Helen Christy, Ned Shellen and Jerry Orbach. The first trip previously was announced for Oct. 15.

Hospital's Pre-Natal Class Starts Tuesday

The initial session in a series of pre-natal classes, sponsored by St. Elizabeth Hospital, will be held from 7:30-8:30 p.m. tomorrow in the Tri-City Medical Building, adjacent to the hospital at 21st street and Madison avenue. Classes will continue to be conducted at the hospital each successive Tuesday through Oct. 12.

Films, lectures and demonstrations will be featured during the course, which will be taught by the nurses of the maternity department. Mrs. Alberta Rongey, RN, supervisor of the OB department, is in charge of the series.

In the past the pre-natal classes were held in the afternoon, but interest has been indicated by the fathers "soon to be," resulting in the more convenient evening sessions. Mrs. Rongey reports. One or both expectant parents are being encouraged to attend.

Auto Hits Rail, Post Charges of Careless Driving

Charges of careless driving and driving without a license were filed against Jack H. Hinton, 19, of 2536 Washington avenue at 8:50 a.m. Saturday after he auto made a right turn off Iowa street onto 20th street and struck an unattended vehicle at 2801 Nameoki road. Hinton was cited for careless driving at 5:25 p.m. Thursday. There was no report of hospital treatment.

Six witnesses were called to the stand to substantiate union allegations contained in the counter-claim. Calls said he had such witnesses available, but Judge White adjourned court at noon and said no further witnesses would be heard at this time.

Alleged Vandalism

The contempt hearings which reopened this morning were begun Sept. 10 under citations issued by Judge White at the request of the company which alleged terms of the company's injunction had been violated through vandalism, violence and mass picketing. The company injunction restrained the union from acts of violence and limited to the four number of pickets to be stationed at any one gate of the company property.

Heavens charging union members with violation of the injunction order were filed Wednesday, Sept. 8, following a series of incidents which involved the throwing of two fire bombs onto plant property, the massing of several hundred persons at one time around the company's main gate and the overturning of several automobiles belonging to plant supervisors and plant guard employees. The petitions included a list of 67 names as defendants, but this later was trimmed to 23 names when contempt citations were served.

Hearings were held Friday and Saturday, Sept. 10 and 11, during which many pictures were shown to the court by the company to determine their admissibility as evidence.

The hearings were continued by Judge White until this week because of negotiation meetings. Resuming the hearings today, Judge White told attorneys he would continue the hearings Tuesday and Wednesday, if necessary to complete the evidence.

Fire Damages Auto

Granite City firemen were called at 10:55 p.m. Sunday to extinguish an auto fire at 4600 Nameoki road. The car, a 1958 model owned by Jerry Wolf, 2610 Cayuga avenue, caught fire from carburetor backfire. Damage was fixed at \$150. Firemen also were called at 12:20 p.m. Sunday to 3209 Nameoki road where a trash pile was burning at the rear of Reese's Drug store. There was no damage.

Losses Movie Camera

A new eight-mm. movie camera with a roll of film already used was lost yesterday afternoon between Rhodes street and McCasland avenue and 24th street and Nameoki road by Vasil Graville, 1616 Sixth street, Madison.

Vandals Damage Materials at Church

Building materials at the construction site of the First Assembly of God Church, 24th street and Grand avenue, were damaged by vandals during the weekend, according to a report to police by Wilbur Thompson, 2421 Roney drive.

Thompson told police vandals entered the construction site and knocked holes in one-half inch sheet rock and damaged a quantity of insulated duct pipes by jumping on them. The vandalism occurred between Friday evening and early Sunday.

A screen was cut and a glass panel knocked out of a front door at the home of Marilyn Crouch, 2807 Kirkpatrick Homes, in another instance of vandalism reported to Granite City Police.

Opens Car Door, Hit

As Edward J. Gordon, 2335 Madison avenue, opened his car door, the door was struck by an auto driven by Joe Brunch, 1437 Grand avenue, at 9:20 p.m. Sunday on 18th street at Delmar avenue.

Conduct Charge Filed

Lester McCoy, 39, of 4001 Kirkpatrick Homes, was arrested about 4 a.m. today at his home on a disorderly conduct charge.

Car Door Glass Broken

Albert Misselhorn, 2909 Grand avenue, reported that about 3 a.m. Sunday the left front door glass in his 1956 auto was broken while the car was parked in front of his home. He said he heard a noise at the time.

Hit-and-Run Accident

Trula Downs, 2150 State street, reported at 12:25 p.m. Sunday that a dark blue car driven by a hit-and-run driver struck the left side of her auto which was parked at her home.

Price Bill Approved

The House today approved Cong. Melvin Price's bill providing for Illinois membership on the national Lewis & Clark Trail Commission. It now goes to the Senate.

State Capitol NEWS

WATER RESOURCES

The typhoid fever epidemic of 1933 reached more frightening proportions than the others during the nineteenth century. No one was able to analyze the cause of the disease for sure, but circumstantial evidence pointed to the water supply.

In 1886, the state of Illinois decided to turn to chemists to see if they could solve the problem. The chemistry department of the University of Illinois was given the responsibility of making chemical analyses of waters throughout the state. This was the beginning of the Illinois State Water Survey, and its chemistry section, the oldest in point of service in the country.

Gov. Otto Kerner will officially open a building which more than doubles the survey's laboratory and office space at ceremonies to be held Oct. 14 in Urbana. William C. Ackermann is chief of the survey.

With new demands on water resources today resulting from population and industrial growth, there is considerable concern over the quantity of clean water available.

As the result of above normal summer rainfall, water supply conditions throughout Illinois are unusually favorable for the middle of September, Ackermann reports. Rain has been plentiful during the three summer months. June through August, in almost all parts of the state, and was unusually dry in August, he said.

OLD CAPITOL

The Illinois Department of Conservation will assume custody of the old Sangamon county court house as soon as the building's furnishings have been sold and removed from the building.

Director of Conservation William L. Edwards has announced that the Illinois Historical Society and technical personnel of the Division of Parks have examined the contents of the building and have determined that the interior furnishings were significant of the court house period but contained nothing of historical importance concerning the Lincoln era.

Plans for restoration of the old Capitol are nearly complete and restoration of the old Capitol site will be undertaken as soon as possible.

The entire project includes the construction of the State Historical Society Library in an underground parking facility.

Adult Bible Course to Open at Hope Lutheran

An adult Bible instruction course will begin at the Hope Lutheran parish hall, 2020 Garfield avenue, Wednesday at 7:30 p.m. The class, designed to prepare interested adults for membership in the congregation, will cover main doctrines of the Christian faith as they are taught by the Lutheran Church.

Those attending are not under obligation to become church members, and anyone interested in the study will be welcome, it was explained. The classes will be conducted each Wednesday from 7:30 to 9:30 p.m. Rev. Alfred Buls, pastor, will be the instructor.

Truck Downs Street Sign

Eli Stay, St. Charles, Mo., reported about 1 p.m. Thursday that as he was turning his truck off 23rd street onto Iowa street, the right rear wheel of the trailer knocked down the street sign and damaged the post.

The annual teacher-clergy banquet, sponsored by the Quad-City Ministerial Association, will be held Thursday at First Presbyterian Church, 22nd street and Delmar avenue.

Over 100 persons are expected to attend as invitations have been sent to all teachers new to the Quad-City systems this year. School principals and superintendents also have been invited to the 6:30 p.m. dinner.

Carl L. Johnson, chairman of the ministerial association public

Edwardsville Road Crash

A collision of eastbound autos at Edwardsville road and 21st street at 7:30 p.m. Saturday damaged the rear of the car of George W. Alfaro, 2235 Illinois avenue, and the front of the auto of Leslie D. Vorderbruegge, St. Louis, state police reported. Alfaro had stopped to make a left turn, and the St. Louisan said a third car weaving in and out of traffic prevented him from seeing Alfaro's auto in time.

Dinner, Fun Night for Scouters of District

A "fun night" pot luck dinner has been set for 6:30 p.m., Saturday, Oct. 2, for Uniwah Boy Scout district adult scouts and their wives, and den mothers and their husbands. Mrs. Raymond Gaudette, chairman, has announced.

Location will be the Kirkpatrick Homes recreation hall. Meat will be furnished, and each couple is to bring a covered dish.

Auto Veers, Collides

Barbara Goldschmidt, 2525 Delmar avenue, headed west on 27th street, turned wide on Benton street and struck a truck driven by Charles F. Adams, 2517 Hemlock street, who was going south

2 Charges Against Driver in 2 Crashes

Two charges were lodged against George Lynn, 56, of 2013 Fourth street, East Madison, after his car was involved in two separate crashes on McCambridge avenue between 2 and 2:05 a.m. Sunday. Booked for reckless driving and leaving the scene, he was released on bond to appear Sept. 29.

At Rhodes street, Mrs. Carol Schneidde, East St. Louis, swerved her southbound car on to the curb but its left front hit the left rear of Lynn's auto, which allegedly emerged from Rhodes street and failed to stop after the collision.

At Edwardsville road, the front of Lynn's southbound car is alleged to have hit the rear of the southbound auto of James C. McBryde, 2245 Miracle avenue.

Driving Charge Filed

Edward J. Brandes, 2212 Edison avenue, was arrested at 11:20 a.m. Friday at 30th street and Grand avenue on a careless driving charge.
